

Health & Safety Policy of Parnell Cricket:

The Club actively encourages a safe playing environment for all of its members whilst playing or observing cricket at the Club's cricket grounds. Highlights of the Club's Health & Safety policy are as follows:

- Safety is everyone's responsibility -we all need to help the club to identify potential hazards.
- Please ensure that all safety equipment is maintained correctly and raise any defects to the Club Manager as soon as possible.
- Personal protective gear is worn at all times and its correct use is coached (Helmet, pads, gloves, box etc).
- All visitors and volunteers must comply with Health and Safety Rules.
- All accidents, however minor must be reported to the Club Manager.
- First Aid boxes are located under the bench in the main Parnell Clubrooms and in the kitchen drawer in the Terry Jarvis Centre.
- Coaches are responsible for the players in their team and must do their best to ensure the health and safety of everyone taking part in cricket activities.
- Good net discipline is strongly recommended -never turn your back on bowlers; deliberate fast short pitched bowling must also be monitored.
- Particular care should always be taken when using bowling machines (please refer to the full H&S Plan for more detail).
- Pay particular attention to Significant risk areas for cricket:

*On field Ball Impact.

*On field Injury Impact

*Sun/heat related conditions

*Workloads of players (especially fast bowlers) need to be managed

- All external contractors must follow and adhere to the Parnell Health and Safety Policy when working onsite.
