## **Chairman's Report - Jeremy Boucher**

As the end of my first year as your Chairman approaches it gives me great pleasure to present my report of what was both a challenging and positive season for our Club.

### **Covid Delta**

Administrators of cricket clubs tend to be busy in the winter months ensuring that clubs are ready for the opening of registrations and the work that needs to be done in the August, September and October months of any year to ensure that the season successfully launches in early November. Registrations opened in early August 2021 with the Covid Delta strain working its way through global populations. As Aucklanders, we knew it was somewhat inevitable that the Delta variant would find its way into NZ and sure enough on August 17<sup>th</sup> the 1<sup>st</sup> case of Delta in the community was found and the greater Auckland region was promptly placed into Level 4 lockdown.

The implications were significant for our Club. The grand opening of the new PCC and Grammar Juniors clubrooms was postponed and, crucially, the TJC was once more closed to members and guests. The 1:1 or pre-season agenda that happens every year leading into the season couldn't occur leaving many of our members improvising at home and practicing discreetly in their bubbles. Members didn't register in their usual numbers, uncertain as to what percentage of the season would transpire and choosing to retain crucial funds for as long as possible. Most importantly, Covid Delta presented a very real threat to the health of our membership and our team.

I am very pleased to communicate that as a Board, and as a Club, we put the health and safety of our team and our members first, ensuring the right protocols were in place and that they were fully respected. Our newly appointed Director of Cricket, Peter Hickman, faced into these challenges with maturity and confidence that belied his stage in life and the Board rallied around him to support wherever required. We were quick to scenario plan different options for the season, ensuring that we were prepared for whatever unfolded as the lockdown restrictions eased. We moved to manage our financial costs to offset the significant reduction to revenue that lockdown presented and ensured that as a Club we applied for the NZ Government wage subsidy system.

We would remain in Level 4 until the 5<sup>th</sup> October when we would move to Level 3 Stage 1 gradually releasing the tight restrictions leading into 3<sup>rd</sup> week of October when more normal recreation would resume. Cricket practices and games were once again permitted, bats and balls could be shared and the season eventually kicked off in mid-November. Some of my favourite recollections of this easing into the season were the 'bubble based fitness sessions' that ran on Saturday mornings

with pods of juniors moving around exercise stations on Shore Road followed by the in house T20 games played by many year groups in the junior club before the ACA competitions eventually started in mid-November. The games were played in a great spirit as frustrated children and teenagers were finally allowed to play the game they love. It was equally rewarding to see huge groups of senior players participating in the men's and women's Clubs. Schools were forbidden from providing an option for college age players and having so many of them arrive for Club pre-season was great to see.

### **Financial Results**

A positive result in a very challenging year. Overall, as a Club we delivered a small profit of \$6842. We successfully controlled our costs at a time when our revenue was down for the reasons articulated above. We have continued to invest in Coaching which is key to our philosophy and we have continued to invest across the Club as we have needed to do. Membership subs were slightly down in a year where subscriptions were held flat to acknowledge the tighter belts that a Covid environment has generated. The wage subsidy was helpful and we are confident that we can replace this wage subsidy income with income from other sources. The raffle was again a success and we thank the Junior Club in particular for their participation in this key Club initiative. My thanks go to Greg James for his financial leadership through these challenging times. We are in a strong space from your guidance. Thank you.

Greg James Hon. Treasurer

### **Senior Women**

Our senior women's cricket programme has again had a positive year. Our Women's Prem's under the coaching of Henry Cameron and the captaincy of Yaz Kareem had some strong performances combined with some challenging game day outcomes. Pace of play was an issue on a festival Saturday at Cornwall and we had some challenges with weather and umpiring decisions that didn't quite go our way at times in key games. The season finished strongly but the overall mid table standings

didn't reflect the aspirations of our team. They will be looking to set the bar high for the next season and learn from the situations that they experienced this year. Our Women's Prem Reserves team performed well again with many of our youth players joining our reserve squad each week alongside our senior players (with a few cameo innings from Emily Drumm) enabling us to field a strong team each week even when our MA players were unavailable. Sadly, we did not have a dedicated Prem Reserve Coach in place this season, but were lucky to have Mandy Callender and Dominic Drumm step in to support Henry and the wider Prem squad managing and coaching our reserves side. Our very able captain Amity Drake led the Prem Reserves through their T20 comp pre-Christmas. Post-Christmas we lost Amity to the South with Wilmarie Pretorius taking the lead through the Limited Over comp. With this years competition being truncated by Covid we did not get a chance to play all teams but finished strongly in both formats. Success at Prem Reserve level for our Women is crucial to the development of the programme at Parnell and to the future success of our Women's Prens. My thanks go to both Gemma Lord and to Mandy Callender on our Board, for the work that has been done through the season and for the strong foundations that are being laid for the future.

#### **Investing in our Girls Programmes**

This year we had 5 girls only teams; two in the U16 HB Competition, one in the U13HB and two in the U11 Softball Competition. Although a short season, the teams hit the ground running as soon as Covid restrictions were lifted. Our girls programme sees all our players training on a Tuesday evening at Martyn Wilson Fields with pro-coaching led by Henry Cameron, members of our Premier Women squad and our seasoned parent coaches. Our teams continue to be well supported by our motivated parent group actively involved in coaching, managing, scoring and umpiring. Our girls success this year is in no small part due to our ongoing investment in girls coaching complementary to all the hours put in by our parent volunteers

#### **Senior Men**

Covid wasn't the only challenge that our Club had to deal with in the lead in to the 2021 – 2022 season. At the start of August, our Men's Premier coach, Ian West, was elevated to the Aces Assistant Coach role for the season. As well as being delighted to see 'Westy' progress to this opportunity, we were left short of a Men's Prem team coach for the season just when we needed one most. Quickly, Brad Rodden registered his interest to move from being one of our most successful players and captains into the world of Coaching. We moved to secure Brad's services and look back on the 2021 – 22 season pleased with the way he made the transition from player to coach and with the way he handled his previous team mates. The maturity and commitment that he showed through the season, ensuring the team stayed

focused on their goals and that their cricket was to a high level was great to watch. It was also great to see some new faces rise to the challenges of Premier Cricket and to see Flynn McGregor-Sumpter step up into the captaincy. He and his team are to be congratulated on a very positive season. We were competitive in both the T20 and the Jeff Crowe Cup competitions and will look forward to going one step further in 2022 – 23.

Our Men's Prem reserves coached by Callum McCarthy and captained by Eddie Commons played some excellent cricket in both their competitions making the final in the T20 comp. The final was held in front of a considerable crowd at Devonport Domain vs North Shore. Our team were superb in the field restricting North Shore to 98 runs from 20 overs and as the openers emerged there was good reason for optimism from the Parnell faithful. Sadly, our innings fell short and North Shore lifted the trophy as the sun set on the domain. Our team should be commended on an excellent season. They too will look forward to building on their success in the coming 2022 – 23 season.

Our other Men's teams went well through the season with our 3rds and 4ths (Prunes) generating some good cricket and results. My thanks go to our Senior Club Chair, Ganesh Ratnasabapathy for the work that has been done in his first season as our Senior Chair.

### **Representative Honours**

We have again seen some strong representation through the higher echelons of our game and it is pleasing to see so many representative players either emerging from or coming to PCC to play their cricket.

- Will Somerville/Mark Chapman/Lockie Ferguson – Blackcaps
- Lockie – IPL winner
- Flynn McGregor-Sumpter, Ollie Pringle, Ben Horne, Nikith Perera, Lockie, Mark and Will – Auckland Aces
- Cate Pederson (CD), Sam Barriball, Emma Baker and Shriya Naidu (all ND)

**Cate Pederson represented Central Districts during the season**

## **Clubrooms**

We have bedded in the new clubrooms successfully through the past 8 months or so. Establishing a contract with our supplier Asahi and learning how to handle kegs was a reasonable learning curve. We have working Wi-Fi, stronger security and we have remedied the hiccups that we experienced as we ran our first events and gatherings.

Community remains a key pillar of our PCC Strategy going forward and our clubrooms are at the heart of this goal. We will pull together a strong social calendar for the upcoming season, kicking off with events from September this year. We are looking at events that range from guest speakers, to quiz and club nights. The bar is likely to be open from Wednesday through to Saturday and on game day Sundays. As we build more experience and as we understand the needs of our community we will flex these hours accordingly. The clubrooms will also be open for corporate hire and we would encourage our community to consider the clubrooms for any school / class / year group drinks. Parking is free, the drinks are affordable, we can organise food to suit and crucially, the revenue supports our Club.

## **Parnell Trust.**

Many of our members will be aware of the Peter A Badley PCC memorial trust that was established in 2008. The purpose of this trust is to support the growth and development of the both the members of Parnell Cricket Club and Parnell Cricket Club. For many years the funds have been under management and they have provided a number of key investments into the Club, and members, including significant contributions to the TJC and to the new Clubrooms. The Board of the Trust is currently chaired by our President Rod Smith with support from trustees Daniel Minhinnick, Mike Simpson, Craig Speakman, Bryan Haggitt and Mark Andrews. We have aspirations to grow the funds under management to ensure we have sufficient funds to drive future investments in the Club. We welcome any interest that members may have with regards to donations of any size and or bequests. My thanks go to Rod Smith for his leadership in this crucial part of our Club.

## **Junior Club**

I have already mentioned the somewhat challenging start to the season and the excellent fitness and interclub games that kicked off the Junior Club season. The inter club competitive season kicked off in early December and proved to be a positive one that was largely uninterrupted by further Covid outbreaks and where the weather played ball. We once again turned out a huge number of teams reflecting the broadly positive health of our Junior Club. Teams played mid-week, Saturday and Sunday, taking advantage of T20 and T30 cricket with the occasional game of slightly longer format in the older age groups of the JT Sparling series. The JT Sparling Series was again successful and it was great to see 2 PCC teams competing for the interclub trophies.

Our focus in our Junior Club remains on high quality coaching and on getting the balance of participation and performance right so the enjoyment levels of all our players are the highest they can be. The holiday and winter programmes that we have in place are the best the Club has ever offered. The quality of the coaching is fantastic and the programmes are excellent.

We are also very focused on broadening our base of membership particularly in the year 5-8 age groups. Our Friday night cricket for years 0-2 is a great feature of our Club made all the better for the new Clubrooms. I recommend this Friday night experience to our whole Club and ask that you spread the word to recruit as many new age 5-6 players as possible.

Our Junior Chair – Gareth McCulloch – has had a fantastic first year in his role. He is well placed to lead our Junior Club to new heights and I am looking forward to working with him to do so. Thank you Gareth for your contribution.

## **Other Initiatives**

This past season we have tried hard to embrace some new initiatives that we are keen to communicate for the record and for your interest.

- We hosted the NZ Blind Cricket Association on Thomas Bloodworth Park for 2 days of play. The field was specifically laid out to their configurations and Donna and the Blind Caps team thoroughly enjoyed their experience and the support that we provided. We hope this is the start of a relationship that we can nurture.
- We attempted to connect with our local Iwi Ngati Whatua Orakei. We are keen to generate a stronger association between our Club and our local Iwi and believe that we can introduce the game of cricket to more people in our community through this stronger association. It remains a work in progress for us and we would welcome any support to bring this to life.

- We bought and installed a defibrillator at the start of this year. We hope that this medical instrument doesn't get used but that if it does it saves the life of anyone in our broader circle of influence. Your awareness of this machine being on the wall by our clubroom could save a life. We commend it to you.

### **Sponsors**

I would like to thank our sponsors for their generous support of our Club. Our two main sponsors, Ascot Radiology (now known as Astra Radiology) and Players Sports have been instrumental in their financial contributions which have contributed significantly to the coaching and administration of our Club. I would also like to thank our other sponsors who have generously supported the Club.

We always welcome new sponsors and would be interested to hear from anyone who is keen to make a financial contribution or indeed any contribution to the Club.

### **Thank You**

I want to take this opportunity to sincerely thank a number of our team and supporters without whom we simply can't deliver as we do.

- Thank you to all the captains of our teams at all levels for the spirit in which you play the game. You set the tone that PCC as a Club is recognised for. We appreciate the leadership you show.
- Thank you to all the coaches of teams throughout our Club from year 2 to the senior grades. Coaching is a fundamental pillar of what our Club is about. We will continue to put more energy into your development, and we are grateful for your commitment.
- Thank you to all of you who have managed teams through this season corralling your players and coaches to the right place at the right time and handling the challenges that come your way is no easy task.
- Thank you to our volunteer grade coordinators without who we simply couldn't run the Junior Club. Your effort, energy, time and commitment are all much appreciated. We will continue to offer you the support you need to help us in the way you do.
- Thank you to our PCC team of administrators, coaches and bar staff. Peter, Steve, Brad, Callum, Henry, Matt and Thais – thank you for all you have done through what has been a challenging season.
- Thank you to our Director of Cricket, Peter Hickman. This past season has been nothing short of a baptism of fire. As a Board, we are pleased with the way we have handled the challenges that have been thrown at us and you have our full support. We are looking forward to the growth that our Club will have with you at our helm.
- Thank you to our groundsman Dave and to all the team at Auckland Council who have helped us with the preparation of Shore Road and Orakei Domain.

Our grounds have again been good and we are grateful what they have done for us.

- Thank you to Orakei Local Board who have shown a strong interest in the development plans that we have been working on. We are looking forward to engaging with you over the coming months so see Shore Road and Thomas Bloodworth continue to develop for the Club and the community.

My last thank you is to my Board. I have been fortunate to inherit some passionate Board members who have seen all there is to see at PCC. Rod and Craig provide us with a strong sense of what has been done in the past to help us guide the future. Greg, Gemma and I have both been on our Board for a number of years now providing leadership in our areas of responsibility. New to our Board this year have been Ganesh, Mandy and Gareth. All three of these individuals have added considerably to the Board table with fresh thinking and challenging ideas.

We have recently completed a review of our Strategic Plan and we will retain much of what has served us well in the past and combine it with some new initiatives going forward. The discussions were inspiring and the direction is engaging. We will share it with our community in due course.

We aspire to be the best cricket club in NZ and I am excited to lead our Board as we head forward towards that goal.

I am looking forward to seeing you over the coming months, thank you for your support through what was a challenging year and wish you well for the 2022 – 23 season ahead.

JEREMY BOUCHER  
PCC Chair.

### Editorial - Parnell CC on the World Stage

Over the past 12 months two PCC players have taken the winning ways of Parnell CC onto the International scene with Will Somerville and Lockie Ferguson winning the World Test Championship and IPL respectively.

Lockie famously bowled the fastest ball recorded at the IPL in the final against the Rajasthan Royals sending down a 157.3 kmph thunderbolt to Jos Buttler eclipsing his previous quickest recorded delivery a 154.9 ball against Bangladesh for the Blackcaps in a 2019 T20 in Napier. Lockie was his usual economical self in the final, his three overs costing just 22 runs, as his Gurjarat Titans team coasted to victory in their debut season. Lockie played 13 games in the competition taking 12 wickets with a best haul of 4/28.

Somerville played three test's in the WTC cycle for the Blackcaps contributing eight wickets and 56 runs with a highest score of 40 against Sri Lanka in Galle. While he wasn't on hand for NZ's triumph in the final against India he was there to lift the WTC mace when it arrived on New Zealand shores and was part of the celebration tour around the country. Will did feature in two test matches in the past 12 months both coming against India. Perhaps his most notable contribution came with the bat when he helped NZ secure a draw batting for 110 balls as nightwatchman - his abilities with the bat will come as no surprise to those who have seen him play at Shore Road including averaging over 200 with the bat during the 2020/21 Premier season.

Both Lockie and Mark Chapman were named in the Blackcaps squad for the World T20 however neither featured with Lockie ruled out pre-tournament due to injury and Chappy not selected in a playing 11. Both did feature in the subsequent tour to India with Chappy hitting a highest score of 63 in Jaipur and was then named in the Black Caps squad to play the Netherlands at home in March however had to withdraw from the squad due to illness.

Lockie Ferguson in full flight

## **Editorial - Strong Parnell = Strong Auckland**

The Auckland Aces 2021/22 season will go down as one of the best in the association's history winning both the 4-Day Plunket Shield and 50 over Ford Trophy competitions for just the second time since multiple formats began being played in a season more than 50 years ago. With this success it was unsurprising to see Auckland's campaigns led by a large contingent of Parnell CC players who have become accustomed to winning trophies over the last few seasons. To add even more PCC flavour to these successes the winning runs in both formats were brought up by 'Peaches'.

On 26<sup>th</sup> February Mark Chapman struck the winning runs in the Ford Trophy final, as he did two years earlier the previous time the Aces lifted a trophy. On this occasion Chappy smashed a strong CD attack all over Queenstown Events Centre with International bowlers Seth Rance, Doug Bracewell, Blair Tickner and Adam Milne no match for the Parnell left hander as he finished 92 not out from just 75 balls. Earlier that day Lockie Ferguson was at his World Class best taking 4/32 from his 10 overs while Will Somerville continued to show why is still one of the best cricketers in New Zealand as he bowled another miserly spell to help restrict the Stags and effecting two direct run outs from the field. Ben Horne also got in on the act claiming 4 catches behind the stumps while Ollie Pringle was also named in the squad however the Aces couldn't squeeze another Peach into the starting 11 and Ollie was left to carry drinks for the occasion.

**Ben Horne, pictured here on his way to another PCC century, was captain of the Aces the day they secured the Plunket Shield**

Ollie did however have a say the day the Aces secured the Plunket Shield for the first time in seven years as he struck Ajaz Patel, fresh of a 10 wicket haul for the Blackcaps, for a huge six over long off to bring up the bonus point that was required

to bring home the shield. At the non strikers end was Parnell captain Flynn McGregor-Sumpter who was making a successful first class debut scoring a maiden half century against an International calibre attack led by Patel and Tickner. Horne, an ever present for the Aces through both successful campaigns, was captain of the Aces on the day the Shield was secured and he chose this match to deliver his highest score of the season striking 89 not out on the final day. With Lockie en route to the IPL and Chapman in the Blackcaps squad there was room for more Parnell presence as Somerville was also the side with Nikith Perera also called up to the squad having finished another impressive season which concluded with a stunning seven wicket haul against North Shore.

#### **Nikith Perera received his first Aces call up during the season**

In total seven Parnell players were named in Aces squads last season and undoubtedly the winning habits they learnt at Shore Road helped secure the silverware for Auckland.

While Auckland were not as successful in the T20 format Lockie and Chapman both showed why they are now regulars in the Blackcaps white ball squads. Lockie was the second leading wicket taker in the SuperSmash taking 17 wickets with the third best dot ball percentage. Chappy was the Aces second highest run scorer with two fifties to his name.

Both players went even better in the Ford Trophy. Lockie took the most wickets in the competition (14) and returned best figures of 6/34 while a staggering 70% of his balls bowled were dots. Chappy was the second leading run scorer in the competition amassing 465 runs at an excellent average of 51.67. Somers was reliable as ever taking 11 wickets with an impressive economy under 4.5. Hornet

added valuable lower order runs throughout the competition at a healthy strike rate of 107 whilst Ollie made his mark with a crucial 4/51 in the final group game of the competition against CD.

In the Plunket Shield Will once again showed why he is a test match quality tweaker taking the most wickets of any spinner in the longest format, his 22 wickets costing just 20 runs a piece. Will also cemented his all rounder status averaging over 30 with the bat while Flynn's impressive debut innings should lead to more opportunities next season.

While Ollie was surprisingly not offered a contract by the Aces for the coming season the other six players that featured last season should all do so again next year. There are also several more Parnell players on the fringes of the squad with Aniket Parikh, KV Prakash, Henry King and Ruben Clinton all featuring for Auckland A during last season

**Brad Rodden**

### **Captain to Coach – A Transition**

Brad Rodden will go down in Parnell Cricket Club history as arguably it's most successful premier men's captain. Rodden, who took over as skipper at the beginning of the 2018/19 season from another of PCC's most decorated skippers Dave Goddard, led the team to two Jeff Crowe Cup titles and the Hedley Howarth trophy in his three seasons at the helm, all while scoring over 1000 runs, smashing 5 centuries and representing the Auckland Aces in both the Ford Trophy and T20 SuperSmash competitions.

After finishing the 2020/21 season on a high, with another Jeff Crowe Cup secured, Rodden wasn't sure what was going to come next but jumped at the opportunity to take on a new role as premier coach for the 2021/22 campaign with the chance to help continue to build on the teams recent success being too good to turn down.

"I was lucky enough to be captain for three years in a very special period. The culture that existed, the calibre of players we had, the brand of cricket we played and the overall feeling around the club was something I wanted to remain involved with in some capacity. To be honest I hadn't thought about coaching until I got the call but I didn't need much convincing once I knew the opportunity was there."

While the 2021/22 season was Brad's first coaching role within PCC the 33-year-old has a strong pedigree with some diverse experiences both in New Zealand and overseas which, unknowingly at the time, linked him to Parnell long before he set foot on Shore Road.

"I coached from the moment I left school until I moved up to Auckland for work five years ago. I started in Dunedin working in the Milo cricket programme and worked

my way up to coaching some Dunedin Metro sides and the Otago U15 team. I also held several player/coaching roles overseas and was lucky enough to lead the Craigenower Cricket Club from Hong Kong on a tour to the West Indies which was a fantastic experience. That side included both Giacomo Lamplough and Greg James, although to be honest most of the coaching I did with Greg was in the bar rather than on the field”.

Whilst Brad was excited for his new role on the other side of the boundary line, many, himself included, wondered how he would find his first summer in a none playing capacity:’

“I was asked that question a lot and to be honest I found it easier than I thought it would be transitioning out of playing and into coaching. With how good the fellas are, and the calibre of cricketer we have, it was easy to trust that more often than not they would put in the work and get the job done. Personally, it was also really enjoyable to get a change in perspective and learn different ways to influence without actually stepping onto the field”. He continued “It would have been naïve of me to think I could have just coached the same way I captained. When you’re leading on the field you can direct traffic a little bit and try to move the game in certain directions but when you’re on the side you have to trust that the work we’ve done during the week has prepared the team to perform once they cross the white line”.

While Rodden’s captaincy stint led the premier men’s team to arguably it’s most successful three- year period in it’s history, he was presented with multiple challenges leading into the 2021/22 campaign with not only a covid lockdown delaying the season but Brad was also left to build almost a brand new premier side following Ben Rae’s retirement, the departure of Fanie de Villiers and Andy Lane, Josh Fisher’s move to the UK and Rodden himself moving away from the playing side. Despite this the team only just fell agonisingly short of a fourth consecutive final missing out on run rate after the fixture against bottom club Howick Pakuranga

was washed out. While the coach would have been delighted to raise another trophy, seeing younger players making debuts and taking on bigger roles within the side, without a noticeable dip in performance, was what Brad found most rewarding:

“The Howick game was certainly a tough one to take. We know how well a Parnell team plays in a final so to miss out on run rate due to a washout was tough. However, we probably let ourselves down once or twice during the season meaning things weren’t totally in our control heading into that last game. Notwithstanding that however the real highlight personally was handing some younger guys, lads such as Max Chaplin and KV Prakash, debuts and opportunities to perform. Those are moments you remember as a player so to get the opportunity to facilitate that for others is very rewarding and, given the ability of the lads we lost over the winter, to perform at almost the exact same level shows how strong we are as a club”.

Looking ahead planning for 2022/23 is well underway and the club can expect to see a lot of Brad in his role moving forward:

“When I first took on the role I wasn’t sure if coaching was something I’d look to long term but as the season went on the more I enjoyed learning about it and all the little things that are involved to make the team click. I have also loved my time at the club since moving to Auckland, of course the results on field have been good, but the people around the place who put their heart and soul into driving it forward have created a very special environment and I’m committed to doing my bit to help keep building the club both on and off the field.

“For the season ahead obviously the goal will be to go one step further and win another championship but the current focus is on pre-season where we are keen to connect the prems and reserves squads and set clear expectations of what we want to achieve through the season, how Parnell is going to play it’s cricket and really define why we commit so much of our time to achieving on field success.”

All the best to Brad and the Premier Men’s team for the 2022/23 season.

## Senior Awards

<b>Premier Reserves</b>	Bowler of the Season	Prashant Dhanjee
<b>Premier Reserves</b>	Batsman of the Season	Daniel Presland
<b>R. M. Smith Cup</b>	Premier Reserves Most Valuable Player	Razin Bharde
<b>3rd XI</b>	Bowler of the Season	Yatin Ramesh
<b>3rd XI</b>	Batsman of the Season	Luke O'Toole
<b>P. R. Speakman Cup</b>	3rd XI Most Valuable Player	Ewen Anderson
<b>4th XI</b>	Bowler of the Season	James Partridge
<b>4th XI</b>	Batsman of the Season	Tim Konara
<b>B. C. Haggitt Cup</b>	4th XI Most Valuable Player	Lance Pooley
<b>ED Giles Memorial Cup</b>	Most Wicket keeping Dismissals	Eddie Commons
<b>JS Robinson Cup</b>	Most Catches in Field	Josh Plummer

<b>WJ Dinnison Cup</b>	U21 player showing most prowess, sportsmanship and club spirit	Nikith Perera
<b>Manager's Cup</b>	Outstanding Club Contribution, Volunteer	Ben Sinclair
<b>Goddard Trophy</b>	Value, Spirit & Tradition of PCC	Craig Presland
<b>MJ Simpson Cup</b>	Player of the Year	Flynn McGregor Sumpter
<b>Chairman's Trophy</b>	Outstanding Club Contribution	Greg James & Steve Sinclair

**Nikith Perera won multiple awards over the course of the season**

### **Premier Men**

#### **Coach – Brad Rodden**

A covid disrupted season presented opportunity for several young cricketers which was fantastic to be a part of. Although we were somewhat 'rebuilding' after the departure of some experienced players from the previous season, we all knew we had the skill and firepower to be competitive, and we were. Just as importantly, enjoyment factor was high right throughout the season and our culture of high performance mixed with loads of fun continued.

A clutch 50<sup>th</sup> over bowling display by Dean Van Deventer got us over the line in our first one day game of the season against East Coast Bays conceding just 3 runs from the last over, ECB needing just 6 from it. Josh Plummer and Ruben Clinton joined us as debutants in this game, Ruben blasting 57 from 30 balls making his presence felt immediately. Two disappointing losses followed, bringing one win from just three games prior to Christmas after a delayed start to the season. Critical learnings were taken by all from these three games, skillfully displayed during a post-Christmas winning run of seven games (both one day and T20 cricket).

Dean Van Deventer and Will Ormiston set the tone for us after our Christmas break, Dean bagging 5 wickets in the first innings and Will amassing 79 runs in a winning run chase against Cornwall at Shore Road. This fixture also welcomed young Keertivaasan Prakash into the fold scoring 47 on debut, KV would go on to play a prominent role in our middle order for the season and has a bright future ahead of him. From here, we would go on to beat Grafton in our first T20 match of the seasons campaign, Nikith Perera stamping his mark early showing his class with a

return of 3/9 from his 4 overs. Several wins followed with some notable performances along the way - Dean's 5 wicket haul against Eden Roskill, a clinical T20 batting run chase led by our captain Flynn McGregor-Sumpter scoring 61 not out from 45 balls against HPCC, and a brutal T20 68 from 33 balls by Ruben Clinton against ERCC. Our most resounding win of the season came shortly after, amassing 343 batting first against Takapuna CC at Onewa Domain, conceding just 126 in return. Josh Plummer, Flynn McGregor-Sumpter, Aniket Parikh (95 from 79 balls) and Dean Van Deventer (58 from 28 balls) the main destroyers with the bat. Bowling quartet Ganesh Ratnasabapathy, Dean, Henry King and Nikith (4 wickets) did the damage with the ball. A clinical display and a performance that would rank with one of the best I have seen by a premier club cricket side.

**Aniket Parikh (above) struck 95 from 79 balls against Takapuna**

Unfortunately, two T20 losses on the same Sunday during late January meant our T20 competition title hopes were dashed, a format we'll be paying close attention to during the '22/'23 season. Our focus shifted back to one day cricket, a format we have been very successful in over the past three seasons, our current side as capable of winning the competition as any. We won five games of our last eight and had one tie, just inches away playing in a fourth consecutive one day final missing out by the narrowest of margins. It was fantastic to have Mark Chapman, Ben Horne, Will Somerville and Ollie Pringle all play for us in one game against HPCC of which we won comfortably, Josh Plummer scoring 113 off 112. In the last of our games - Dean took 5 for 35 against NSCC, we had an emphatic eight wicket win over AUCC, Flynn scored a winning hundred against ERCC during our run chase and we tied with Takapuna CC in a nail biter, Harry Young having joined the club at the start of the season almost getting us over the line with a measured 40 runs.

Having narrowly missed out on the one-day final, our mission was to put out a performance in the last game of the season (third and fourth playoff) we could be proud of, and we did exactly that. Batting first, we amassed 245, Aniket scoring a classy 60. Then we witnessed something special – Nikith took 7 wickets for 23 runs from his 10 overs, a fantastic achievement and one of the best bowling displays by a PCC premier cricketer in recent times. A great way to finish on a high and sign off from a largely successful season in many ways.

There are a lot of positives to take away from the PCC Premier season, a lot of great opportunities taken and some top-quality cricket played along the way with loads of enjoyment. There were many key learnings for individuals and for us as a team for which will make us an even stronger unit heading into the '22/'23 season.

### **Standout performances:**

#### **Team:**

One day match vs ERCC – PCC 283 vs ERCC 148

One day match vs Takapuna – PCC 343 vs TDCC 126

#### **Individual:**

Ben Horne – 111 (90) vs AUCC, 11 Dec 2021 (Jeff Crowe one day match)

Dean Van Deventer – 5/37 vs Cornwall CC, 8 Jan 2022 (Jeff Crowe one day match)

Dean Van Deventer – 5/17 vs Eden Roskill CC, 15 Jan 2022 (Jeff Crowe one day match)

Josh Plummer – 113 (112) vs HPCC, 29 Jan 2022 (Jeff Crowe one day match)

Dean Van Deventer – 5/35 vs NSCC, 5 Feb 2022 (Jeff Crowe one day match)

Flynn McGregor-Sumpter – 105 (88) Vs ERCC, 5 March, 2022 (Jeff Crowe one day match)

Aniket Parikh – 5/38 vs Takapuna District CC, 12 March 2022 (Jeff Crowe one day match)

Nikith Perera – 7/23 vs NSCC, 26 March 2022 (Jeff Crowe one day match)

#### **Thank you to volunteers:**

There are too many to mention, but a huge thank you to all that help us out along the way, we absolutely could not do it without you and the PCC Premier squad is very grateful. A huge amount of work goes on behind the scenes to get us on the park that allow us to focus on performing, we have you to thank for this.

A notable mention to Jocelyn Goodger, our wonderful scorer who is always with us through thick and thin and runs an incredibly tidy score book and a special mention to Ben Sinclair, my assistant coach for the season, Ben fitted in seamlessly and was great to have around the environment.

### **Flynn McGregor-Sumpter - Captain**

“Last summer was a great season for the Parnell Premier side. Although we weren’t able to win any trophies, there was still a heck of a lot of team success and individual performances that were worthy of celebrating.

Due to the fact that we lost almost half of our side from the previous season, we were able to give more opportunities to younger players, as well as use a large squad across the season. This was probably the most satisfying aspect of the season, as everyone took their chances and contributed to the side.

I’m very much looking forward to building on our successes from last season this coming summer.”

Head Coach Brad Rodden alongside his assistant Ben Sinclair

## Premier Reserves

**Coach Callum McCarthy (left) and Captain Eddie Commons**

### **CALLUM:**

**Overall summary of the season** - the 2021/2022 season was an extraordinary season for all of us! With the delayed start to the season due to covid everyone was itching to get on the field as soon as we could, this also meant that our school leavers would be playing their first full season as a senior member due to no school cricket and with this in mind we were looking forward to the challenge ahead to retain the one-day title.

We had our familiar faces within the reserves with the likes of Eddie Commons (our new captain), Giacomo Lamplough, Prashant Dhanjee, Vatsal Desai, Callum Douglas, Jack Parsons, Simon Walker, Nathan Robinson, Matt James, and Razin Bharde. Plus, some new faces into the mix, Harry Sinclair, Daniel Presland, Ujval Gupta, Max Chaplin, Harry Young, Gurpreet Singh, Keshan Narsai to name just a few.

Throughout the season there was some highs and some lows, in the one-day competition we came 3<sup>rd</sup> and in the T20 competition we finished runners up. With the lows, narrowly missing out on finishing in the top 2 for the one-day comp on the second from last round. With the cases rising it was only a matter of time before it would have an impact on our players with isolation, close contacts etc. Also, we had reached the T20 final for the first time in the reserve's history, we put up a great fight against North Shore but unfortunately, we fell on the last straight chasing down a low total, obviously disappointing for everyone on the day! In the mix of all of this, a lot of highs with the reserves. There were opportunities for some boys who came through into the reserves that went to play prems this season (Vatsal, CD, Raz, Max, Harry Young), I really hope that they have the motivation and the belief to try and push a spot into the prems for next season. This also meant that opportunities came around for some lads in the 3's to play reserves and moulded within the group

very easily. I will look forward to seeing the next line of players in the upcoming season.

### **Standout performances –**

Dan Presland was our top runs scorer this season with 436 runs in 12 innings at an average of 43.6 and a top score of 112\* against the title winners, Grafton.

In the bowling department our leading wicket taker was Prashant Dhanjee who took 25 wickets for the season at an average of 16.28, which included a spectacular 5/27 on the final day to claim 3<sup>rd</sup> spot against East Coast Bays. Closely followed by Razin Bharde who took 21 wickets with best figures of 4/22 against Cornwall with an average of 17.81.

**Highlights -** There were a couple of highlights of the season at Parnell, firstly with the pandemic affecting the season and with bubbles in place it was hard to mingle in with other groups to train together. And with this in mind, being able to adapt the very last min with selections which allowed players to either go up into another team or having more of a senior role and take some leadership. I think we did this well and effectively. Secondly, I think the bond of the club is getting stronger by the season. When we played the T20 final at North Shore, we had a massive amount of support from playing members and non-playing members at the game, despite not getting over the line I can say on behalf of the Reserves we thank you for that day. Even after the game everyone got together, and we had our own “team bonding” with the Prems too and went on into the night.

**Appreciation –** First I would like to thank every player who has played under me or even trained with me this season, it hasn't been as easy as we all would've liked it to have been. I think myself; Brad, Nick and Henry are on the same page in appreciating your time to us and hoping to make the 2022/2023 another successful season (with some more silverware!). Also, big up to the other senior coaches Brad, Nick and Henry, you've done an awesome job so far and we all want to carry on the good work in the future. Hopefully we'll be able to work more closely now we have a full season ahead of us.

**My thoughts –** As I have finished my second year as reserves coach, it's been a real honour to work for the club. The club is going in the right direction and we have the right people in all spaces to keep continuing the good work. To be able to put in the work, time, dedication and to see it pay off really gives me a buzz to keep working hard at it. Personally, I have had my ups and downs, on and off the field and I do my best for the team and the club. As I am writing this now, I am still looking to be the best coach I can possibly be and to help current and future Parnell players. It has been a real joy to be at Parnell since I came over in 2019, I am really enjoying it! It's

been like a second home for me as I haven't returned to the UK, everyone has made me feel welcome to the club!

**2022/2023** – I am really looking forward to being seeing the boys back in preseason in where we have grown another year wiser. With cricket hopefully starting on time I am always looking forward to the new challenges which lie ahead so we can plan, I have a gut feel for every senior team that we can claim a trophy. I'm hoping we can build that bond throughout to keep PCC a force to be reckoned with.

**EDDIE:**

Coming off a strong showing in 2021/22 winning the One Day Competition, we knew heading into the season we were the team to beat. After a delayed start for obvious reasons, our goal was simple, repeat as One Day Champions.

Every game started with a coffee at a local café to get that caffeine boost for us to be focused on the task at hand. After an inspiring speech from Coach Cal, it was time to play cricket. After the cricket was played, we always had a quality POD and DOD session to round off what was usually a successful day in the dirt. We had some unlucky multiple DOD winners, but the team culture and comradery were what made this team so special.

Like mentioned by Cal, we did not achieve our goal, but we still had strong outing in the One Day Competition, finishing 3<sup>rd</sup> and making our first appearance in the T20 final. Lots to be proud of with lots to look forward to next season.

On a personal note, it was a great opportunity for me to step into the captaincy role. An opportunity made to be easier with a great bunch of passionate cricketers who knew the game well and educated me on how to win a toss. I did win a few towards the end of the season. The season highlight for me was seeing the amount of youth who wore the reserves cap this summer. The traditional older 'Senior Reserves' side got swapped for youth which bodes well to a bright future for the club.

Thank you to many fine people for helping us make the season possible – Pete, Steve, The PCC Board, Volunteers, Brad & The Prem's Group and Dave for producing some quality pitches.

Last, but not least, shout out to Coach Cal, the most enthusiastic water boy ever! We appreciate the time and effort that you put into the team this season. Keep an eye out, I heard preseason starts in August...

Bring on 2022/23, it's back to winning trophies!

PCC thirds Coach Nick Taylor (left) and captain Luke O`Toole (right)

## **Thirds**

### **Coach Nick Taylor**

Overall we had a strong finish to the season with a young side, including beating Grafton who won the grade. Also some old boys demonstrating the Parnell club spirit by coming back to help the team later in the season.

Standout performances: Matt James 105 (91) in the first round vs North Shore. Luke O`Toole 79 (97) vs Suburbs New Lynn in round 2 coming in when the side was 3 for not many. A couple of strong 50's by Harry Sinclair to see the team through to wins. With the ball wickets were typically shared around, with the bowling unit a real strength of the 3s this season.

Reflecting on the season three highlights come to mind. Doing the job with the ball to win vs Cornwall at Orakei Domain in a low scoring match in the first competition game of the season. The win against Grafton in round 2 with a number of ring-ins - led by Gurpreet Singh and Ewen Anderson with the ball. And the dominant team performance with bat and ball vs SNL and North Shore in round 2.

Thank you to Pete Hickman - made the job a breeze and was often called on later in the season with covid around to find a player or two on a Friday evening. Cal, thank you for your support and guidance throughout the season. A big thank you to Luke O`Toole who skipped the 3rds this year and Matt Willacy who stepped in to captain the team later in the season, thank you for the way you both led the group on and off the field.

To summarise finishing in 3rd after the regular season, with some top performances along the way (a number mentioned above). It was really pleasing to see a number of 3s players stepping up and making their reserves debuts and to hold their own.

Thank you to all the players who played for the 3s this season. Whoever took the field each week, the consistent way in which you bought into the team and played the game the way it should be played was a pleasure to be a part of.

Thank you to the players and club who made coaching this season really enjoyable week in week out and I'm looking forward to seeing this group of 3s players carry through to next season, which will bode well for the 22/23 season.

## Fourths

### **Coach Nick Taylor and Captain Matt Willacy:**

An unbeaten side when they got on the park, with four wins from four matches played. Unfortunately as school cricket started back up and other players headed away post the Christmas break, the 4ths weren't able to put out a side as much as hoped.

Two unbeaten hundreds from young talents standout. Pawan Kharel - 118 not out against Suburbs, Josh Olliver - 100 not out off 69 rocks against Suburbs and plenty of other good contributions with the bat, while the wickets were typically shared around.

Giving the chance to a number of young players to make their senior Parnell debuts was certainly a highlight of the season and thanks to all of the various players through those four games for making the skipper's job an easy and successful one.

Coach's comment: Unbeaten when the side was able to take the field, a testament to how the team came together each week and combined as a unit. A special thanks to Matt Willacy, who captained the side.

## Prunes 21/22

### Captain – James Partridge

With the season delayed due to Covid, finding preseason matches was difficult. We managed to get a friendly against a Papatoetoe 3<sup>rd</sup> grade side which was a high scoring affair. Papatoetoe scoring 350+ in reply with feel short scoring 320 all out.

The season started with a game against some old foes from 7<sup>th</sup> Grade; Suburbs New Lynn and the Birkenhead Apricot's. Two tight losses however, Tim Konara hit back-to-back 50 and 85\*. Following this, we played two Waitakere teams which saw some great performances by James Partridge 6-17 and Nandan Gajjar 4-8. Tim Korana then made 96\* to finish the day.

Post Christmas, some tight bowling lead us to victories by 10 runs, 1 run and then 6 runs respectively. Lance Pooley top scored 64\* and 66\*. Given poor weather, a 40

over game against Waitakere saw a good contest, ultimately resulting in a loss against a skilled opposition.

The Prunes then faced Waitakere again; Lance Pooley & Tim Konara batting the team into a commanding win, scoring 44\* and 39\*. A loss against the unbeaten Cornwall would round out the middle stage of our campaign.

Given the Omicron situation, it became increasingly challenging to find players out of isolation. In an enjoyable and positive move, a shared player arrangement was met from Cornwall to get a game off the ground. Cornwall made 76 due, Lance Pooley 3 -5 with Danushka & AJ taking 3 wickets each.

In our final round robin match we headed to Papatoetoe & again we faced a wet pitch. Once dried out, we bowled the Papatoetoe out for 231. Unfortunately, we lacked any partnerships and were bowled out for 115, Awsiya Syed scored a hard fought 58.

Our play off match for 5<sup>th</sup> and 6<sup>th</sup> was against a Waitakere team that appeared short on troops; we bowled them out for 82 and in response chased it in 16 overs.

In a difficult season, it was pleasing to see some new faces, but also a number of players returning after spending time away. We may not have finished or played our best cricket this season however as always, we were winners in that we enjoyed ourselves just getting out there and competing.

<b>Women's Cricket Award:</b>	Overall performance & team commitment	Yasmeen Kareem
<b>PCC Premier Women MVP</b>		Yasmeen Kareem
<b>The Irene Badley Memorial Rosebowl:</b>	This trophy is presented to the woman showing most prowess, fair play & club spirit.	Madison Curran

### **Coach Henry Cameron:**

Three aspects stand out to me from the 2021-2022 season as highlights; improved skills, great attitudes, and teamwork.

This season saw excellent improvement in the skills of our Parnell Women's players. Throughout the season, we worked on specific skills at various times. In particular, the players developed an excellent ability for seeking singles, running between the wickets and an intent to score runs.

The 2021-22 season was another year faced again with Covid-hurdles, and the attitudes of the PCC Women showed them to be extremely resilient. We had

planned our pre-season trip away to Hawkes Bay, which unfortunately was cancelled at the last minute due to a sudden Covid-19 Lockdown. Despite this, we managed a couple of internal matches and preseason fixtures. We also lost players at various points of the season to Covid, injury or other commitments; at these times, every member of the team stepped up to their new roles, and performed well, showing the depth of our squad.

Overall, playing cricket is about enjoying the sport, and additionally, I hope at Parnell it is also about creating a place of belonging for each player. We have worked last season towards making our Womens' sides a place where players are welcomed and yet also challenged to strive further in their game. The new clubrooms facilitated some fun after match Saturday evenings, and I am sure the group is looking forward to getting back together and continuing to learn and enjoy.

Lastly I would like to thank everyone who made the season possible, including playing and non-playing members. A special thanks to those players who are hanging up their playing kit for the next season - we look forward to seeing you out and about over the summer, and keep your phone on and your bag ready incase of any last minute spots that need filled

### **Captain Yaz Kareem**

#### **Prichard Cup - One Day Championship**

Parnell ended up being in the middle of the pack with 4 wins out of 8 games but probably the highlight was beating Takapuna in the last round, who went on to win the competition. Unlucky to miss out on playing off for 3rd place.

#### **Pearl Dawson Trophy - T20 Championship**

We also ended up middle table with 5 out of 10 wins. Our batting consistency and strike rate let us down but our bowlers were very competitive.

Parnell's bowling depth continues to improve every season and we have troubled most of the top teams. Next season we are hoping to solidify our batting and in order to compete for top 3 placings.

Some of the season highlights include:

- Isabel Mills our wicketkeeper batsman had 17 catches placing top in the fielding tables.
- New additions: Kate Pederson (4 innings 222 - Avg 74 ) and Sam Barriball (3 innings 203 - avg 68) both scoring a century in the few 50 over games they played. Looking forward to even more from them next season.
- Gemma Lord with 17 wickets in the season.
- Renee MacMillan finished with 16 wickets in the season.
- Yaz with 389 runs for the season.

Stephanie Carr and Gemma Lord, our two most senior players have decided to take a break this coming season. Stephanie's experience and steadiness at the top of the order and Gemma's economical wicket taking ability will be missed.

A special thanks to Mandy Callender for her first year of managing the teams. Hopefully many years to come. And another massive thanks to Henry for all the time and effort he has put into each and every training to help improve our game & get us winning more games!

## Parnell Cricket Club – Max Chaplin – a lifelong journey

On February 5<sup>th</sup> 2022 Max Chaplin stepped onto Devonport Domain representing Parnell CC's Premier Men`s team for the very first time. Max was `the Peaches` most economical bowler that day conceding just 37 runs from his 10 overs and was instrumental in the teams seven wicket victory over North Shore making his debut a success - the culmination of a long journey at the club that began on a Saturday morning at Shore Road 14 years earlier when Max was just five years old.

*"I first played cricket Milo cricket as it was known back then. We would come along almost every Saturday through the summer and some Friday evenings too. It was plastic bats and softballs and a fun introduction to cricket before getting into more competitive matches a few years later".*

By the age of 9 Max was transitioning into hardball cricket and it is then he met a number of players and coaches who are still involved with PCC to this day:

*"I suppose my first real cricketing memories came from around the Y5 age group. This was my first years of hardball cricket and going through the age groups I was lucky enough to play both Saturday cricket within Parnell and then on Sunday`s we would play rep cricket against clubs such as Cornwall, Grafton, Howick Pakuranga and Auckland Uni. Our coach at the time was Craig Presland, I really learned a lot from CP in my formative years and some of my teammates in those sides are who I now play senior cricket with – the likes of Daniel Presland, Harry Sinclair & Charles Wilkes."*

When Max began attending Kings College the move into the school environment brought a new challenge:

*“When I played club and rep stuff at Parnell it was certainly competitive but school cricket was a different level in terms of how seriously things were taken and with the focus being purely on winning. It was also a time where I had to meet new teammates and make new friends as a lot of the lads I played alongside at Parnell had gone to other schools. All of a sudden I went from playing rep cricket against players from clubs such as Auckland University to now being teammates whilst playing against players I had played alongside at Parnell.”*

Away from the cricket field Max excelled at the college being named Deputy Head Boy in his final year. As part of the honour Max was to speak at the end of year assembly and it is not surprising given his experiences and passion for the game that the speech was centred around his cricketing experiences:

*“The aim was to use a story to spread a message and mine was based around resilience which I had learned through cricket. I didn’t make the first XI until late in Y12/early Y13 but that actually helped me in the long run and made me appreciate the opportunities I got. I also put almost all of my time into becoming a batsman through my early years however ended up being selected for teams more as a bowler which showed me that while you can have a goal things can often work out a different way so it’s just about appreciating the journey and learning along the way.”* He continued *“Also beyond that one of the biggest messages was just enjoy playing sport with your mates. We were very competitive and we were a close team but at the end of the day we were all friends off the field and we loved playing cricket together.”*

Max’s performances for the Kings 1<sup>st</sup> XI didn’t go unnoticed and from a player who hadn’t made his first team debut until age 16 he suddenly found himself mixing with some of the biggest names in New Zealand cricket.

*“Things moved pretty quickly, I got selected for the Auckland academy, although sadly the winter training programme was cancelled due to covid. I was a none travelling reserve for the Auckland U19s and then out of the blue got the call to attend an Auckland Aces training. They were preparing for a game against the Otago Volts who had a left arm leg spinner Michael Rippon in the team so they asked me to come along and bowl to help them prepare as there aren’t many of us Chinamen` (left arm leg spinner) around. Suddenly I was bowling to people I’d only ever seen play on TV and while it was a bit daunting bowling to the likes of Martin Guptill it was really enjoyable and great to mix in with a lot of Parnell CC players in that group such as Mark Chapman and Ben Horne.”*

Max is midway through his first year studying Economics and Politics and Christchurch University but he won't be too far away from a cricket field this summer and is looking forward to reconnecting with the Parnell premier squad later this season:

*I joined St Albans CC down in Christchurch at the end of last season. Again due to covid we were limited to just two games but I enjoyed getting involved with a strong club where I was made to feel very welcome – and coincidentally playing alongside my former EDCA coach Nick Hendrie (formerly of Grafton United) who has moved down here. I am looking forward to getting back to Parnell when I can. I really enjoyed being around the premier squad last season. I suppose I found the main difference between club and school cricket is that everyone who is playing senior cricket is there because they want to do be there – there's no parent pressure to play – so that creates an environment where everyone is pretty motivated whilst also playing for the love of the game and I can't wait to be involved in another successful season for PCC."*

**Our Y7 Rep team who the JT Sparling Trophy for their grade**

### **Junior Chairman's Report**

#### **2021 – 22 Cricket Season**

The 2021 – 22 cricket season will be remembered as being a very good season for the cricket played and one where we were extremely fortunate to complete a largely uninterrupted season of COVID-19 – which certainly didn't look like that may happen at the beginning. It gives me great pleasure to present the Club with what is my first report as the Junior Chairman

It is certainly not understating in commenting that the previous 12 months have provided our club, our players and our members a very unique set of challenges. This was clearly in evidence at the beginning of the season where we faced the challenge of a 5 week delay in the commencement of the junior cricket whilst we navigated exiting the traffic light situation over the Oct through to the beginning of Dec 2021 months. The clubs aim whilst we were in the traffic light restrictions (and were unable to play Ak Cricket organized matches) was to create a level of normality for our junior grades; we completed the following to get kids involved in playing cricket until the season was able to commence on the 3<sup>rd</sup> December:

- Additional Saturday morning skills based and fitness trainings run by the club pro coaches
- Internal games were arranged during the month of November, where a draw was established with the junior grades at times playing two games

per weekend against other Parnell Cricket Club teams (from within the same age group)

We look back with a degree of pride that all this was actioned, ensuring the junior members were able to establish, time with friends, social connections, physical activity and importantly able to play cricket.

Some of those challenges are behind us – I think we have learned to live with COVID-19, or at the very least, we have adjusted to the disruptions that COVID-19 brings. We look forward positively that we remain a proactive junior club with a desire to develop a lifelong love of cricket and skills to allow them to be the best cricketer they desire to be, whether that is a good social player right through to an elite performer.

To support the development of our junior members and from a strong desire for the Parnell Cricket Club (PCC) to continue to inspire their youth and developing cricketers of tomorrow, we have extended the Peaches Winter Academy program into the junior years and incorporate a winter based academy program for both the male and female programs. The primary focus is on skills development via a pathway program that will enable our junior and youth cricketers to be the best they can be. The outcome is to prepare our aspiring cricketers for the various stages of their intermediate and college years and ultimately into senior cricket assisting in developing a lifelong love of cricket and being the club of choice for this age of cricketer within Auckland.

Junior membership continues to remain consistent over previous year, with our challenge being in our age's year 1 – 3, where we are seeing a decline in membership, this is due to being impacted by not being able to get into the schools within our catchment area to promote junior cricket. We remain confident that we will be able to resume this program of work this year and we can correct this decline with our Director of Cricket having a plan in place to visit all these schools over the pre-season period. It is however worth noting that other Auckland cricket clubs have reported the same feedback over the previous season.

As a PCC Board, we are working hard to deliver to our ambition of being the 'preferred' cricket club across the Auckland region. Central to that ambition is our Club Mantra which enshrines a philosophy of equal opportunity for all players with an emphasis on fun and enjoyment at all levels of the junior club. Delivering on the Club Mantra on an annual basis is a challenge and I am grateful to the coaches, managers, parents and volunteers that we have at the Club for their embracing of this philosophy. It will remain at the core of what we target into the coming season.

One of the best expressions of this philosophy has been the Friday night development program that has again been delivered at the Shore Road club rooms.

Our talented team of coaches and administrators, led by Steve Hurdley, delivers a fun and enjoyable session where our youngest players (aged 4-6) are given the opportunity to develop some foundation skills and work towards a game environment. We have been incredibly fortunate to have the newly upgraded clubrooms to support this program and it has been well used by this group of parents. The sessions finish with a sausage sizzle and the bar is open for parents and caregivers to welcome in the weekend whilst their charges hopefully kick start a lifelong love for the game. I encourage this Friday evening experience to all of you and ask that you continue to spread the word across your networks to ensure the PCC playing numbers at this age can be well supported. It is a key age group for us to attract players and we need all the help that our community can generate.

### **Junior & Youth Girls**

A key part of our club strategy is in the development and growth of female cricket at PCC. The pathway program within this space provides a very real development opportunity for our members with our female Senior Premier team continuing in providing role models and a clear aspirational pathway into senior female cricket.

We have seen our strongest ever registration of Youth and Junior girls with 2 U16 teams, an U13 team and 2 U11 teams this year. Our strong Tuesday night pro-coaching programme has supported very positive results and individual achievements across our teams and they have done incredibly well through this season and it is a great testament to our Girls Co-ordinator Mandy Callender and Pro-Coach Henry Cameron alongside our parent coaches, managers and volunteers who have again worked hard to deliver a great experience for those girls.

In Term 2 we launched our Youth Girls Academies with tailored programmes which were designed to challenge and develop our girls technical as well as mental skills. So successful, we have round 2 in Term 3 ahead of pre-season training starting up.

As our Girls and Womens Programme goes from strength to strength, we are adding further formats to our programme for next year. We are excited to see growing numbers of girls enrolling in our Friday night Year 0 &1 programme. This year girls will also have the option to play in the Girls Only Under 9 Saturday morning competition, Friday night Girls Smash for girls in years 3-6 who want to give cricket a go, and a Women's Social Prosecco league on Friday nights. I continue to encourage all the girls - young and old(er) to 'have a go' at cricket this coming season— they might just get the bug! NZ has some of the best female cricketers in the World and we are keen to ensure that we keep the pipe full as we head into the future.

PCC has again competed strongly in the J.T Sparling series; this program provides the “Rep” teams to compete against the neighbouring Grafton, AK University, Howick Pakuranga and Cornwall cricket clubs played over the season during Sunday fixtures J.T.Sparling Shield awarded to the Club who amasses the most points from all the representative fixtures through the season. Points are awarded for each win achieved at all age grades and consolidated into a final tally for each fixture.

Our representative results were as follows

- Vs Auckland University tied 1 – 1 weather interrupted
- Vs Cornwall Lost 9 - 0
- Vs Grafton Won 5 – 1
- Vs Howick Pakuranga Won 6 - 0

I am delighted to confirm that PCC achieved a second place overall behind our old foe Cornwall, which is our best result for several years and our focus remains on beating Cornwall over the future years. At a team level we are proud of the U10 –A, B & C teams and U 11 – A & C teams which made the finals for their grades with the U11A and U10C both walking away victorious in these finals. Well done to all of our players, coaches and managers involved in this J.T Sparling series.

I would like to acknowledge and thank some of the key volunteers this season, without whom our junior grades would not function. Firstly, our grade coordinator team who have been instrumental through the course of the season in ensuring teams are created and that issues are troubleshot – particularly as already mentioned earlier in the season. It goes without saying that setting up a cricket season amidst all the disruption of the COVID-19 alert levels required a lot of planning and organisation of which this group did a stellar job.

The effort they put in really does make the season so much more enjoyable for all participants and we are very grateful for their service. Special mention to:

Year 2: Deahna Barrington

Year 3: Tom Rutledge

Year 4: Annick Larkin

U10: Asher Williams

U11: Craig Cunningham

U12: Sarah Wilby

U13: Janeen De Zoysa

U15: Amy Alpe

Youth & Junior Girls: Mandy Callender

We Look forward to working with them again next season

Secondly, to the Coaches and Managers who ensure that our teams run smoothly every weekend, are developed through the way in which the practices and games are run and who as parent volunteers actively give their time to the game and the club. On behalf of the Club and the members I extend my thanks and appreciation to you all and again hope to see as many of you as possible next season.

I would also like to acknowledge Aniket Parikh and his team of pro coaches who delivered the pro coaching over the weekdays for junior members this season. The feedback we have had has been very positive. Aniket and his team were able to deliver very good training and retain high levels of fun and enjoyment for the kids. We continue to be very focused on coaching and improving the quality of our coaches at Parnell Cricket Club and mid-week pro-coaching is a big part of our commitment to our coaches.

Lastly but by no means least I'd like to acknowledge both Steve Hurdley and Peter Hickman who have again been instrumental in what has been a good season. Steve – you are the face of the junior club and once again have done an excellent job and Pete– your enthusiasm for all things cricket is great to have in the club and you have managed a tough year very well. It's been a pleasure to work with you both across so many areas of the Club.

Enjoy your winter sports and I look forward to seeing you all again next year for the coming 2022/23 season, one that will I'm sure be another excellent, fun and rewarding one for our club.

Gareth McCulloch  
Junior Chairman

**Jack Wright on his premier debut**

**Parnell CC Girls Youth Development Section Update with Mandy Callender**

For many years Parnell CC were left without a team in the premier women`s grade. Five years ago that changed and the club were once again represented in Auckland`s premier competition with the squad growing not only in numbers each season but on field performances improving too. While the future looks bright for the team there are even more reasons to be optimistic about the women`s game at Parnell CC as Junior Youth & Girls Co-Ordinator Mandy Callender explains:

*“It`s been great to see the progress of the women`s premier team each season. It was important we got premier status back as we always maintained our youth programmes but lost players to other clubs when the time came for them to play premier cricket. With a lot of hard work from the likes Stephanie Carr and Dominic Drumm we got back into the top grade five seasons ago. Perhaps the most pleasing thing is that most of the team has remained the same through those years and we have been able to regain players who had left us previously to play premier cricket when we couldn`t provide that too them.*

*“With players within our premier squad continuing to develop and a strong pipeline of girls coming through we aren`t actively looking to recruit new players as we are looking to invest in coaching and mentoring for our current members. Our coach Henry Cameron has been fantastic for the prems but he has also bought into the philosophy of developing our own. He has been running academies in the off season for our U16 girls which received such strong interest that we had to run two separate sessions on a Sunday through term 2.”*

Those winter academies are just one part of the PCC senior women and youth girls strategy which has seen numbers grow across the age groups over the last few years with both playing and training opportunities on the rise:

*“We started an U11 softball team several years ago because, up until that point, the girls usually play with the boys but when they transition to hardball the girls would largely stop playing. We started with one team at that age group but now we have two. We also have an U13 9-a-side team and two U16 9-a-side teams so overall we have more than 50 cricketers in these age groups with an amazing group of parents behind them. To support that group, we have added a dedicated training night on a Tuesday through the summer down at Martyn Wilson field led by Henry, a team of pro coaches and parent coaches and these were very well received through the season.”*

Another growth area for the club has been the Parnell CC presence in the local schools with the club being well represented in the region with many of these players now representing both club and their schools on a regular basis:

*"We have PCC coaches at Epsom Girls coaching both the first and second XI, Henry and premier player Cate Pederson work with Baradene and we have Ruben Clinton at Dio. We also work closely with Remuera Intermediate, Dio, Baradene and we have had 6 U11s from St Kents play for the club during the season. Overall this has been a big growth area as, unlike boys cricket, girls can play for their schools on a Wednesday and club on a Saturday. Infact we have had 14 of these players play U16s on a Saturday morning – they play on grass at Waikaraka Park – and then come over to play premier reserves on a Saturday afternoon."*

Mandy is ably assisted in the girls youth development space with strong backing from PCC's committee members:

*"We are so lucky to have such a supportive board, committed and invested in our Women and Girls Programmes. Without their support we would not be where we are today – we aspire to be the club of choice for Girls and Women and are committed to putting the structures in place to ensure our programmes are sustainable and all our players get to be their best and have fun while they're at it!*

*"This year we've put in place two new sub-committees to drive our Women & Girls Programmes supporting and enabling our amazing coaching team. One is focused on our Senior/Youth Girls and the other is focused on our Junior Girls. We've also increased our investment in coaching with a second professional coach being assigned to these teams.*

With the PCC programme only looking like growing, Mandy and the club board have taken steps to guarantee these players have the best support structure of any club in the Auckland region:

*"We have created a women's cricket steering committee with myself, Emily Drumm, Gemma Lord, Sam Barriball, Dominic Drumm and Bridget Tapper. Our role is to support the implementation of the strategic plan and drive player experience. We also have a junior girls committee to focus on the U11 – U13 programmes which is parent driven and focused on that transition from softball to hardball cricket.*

*"With all of these developments we knew we needed more resource and because of our substantial growth, we went to the PCC board and they funded an extra position so we could bring an extra coach on board. We are lucky to be joined by Keerthi de Silva a level 3 coach who has worked in Pakistan, Sri Lanka & the UAE at a national level. He will be the senior co-coach working across the premier, premier reserves*

*and U16 teams with a focus on transitioning U16s into senior cricket whilst upskilling the premier reserves.”*

PCC members should also look out for some exciting new initiatives through the season with Friday nights set to become a festival of cricket at Shore Road:

*“This year we are launching a new in house Friday night social women`s (Processco) competition. The idea is it will be very social, no cricket experience will be necessary we will just be encouraging people to come along and enjoy it with the idea being they will come along at 5.30 do half an hour coaching with the youth teams, who will be training at the time, then play a modified game. There will be food trucks and the bar will be open. We are also adopting an idea from Otago cricket called GirlsSmash`. This will also be on a Friday night, starting at 4pm, everyone will be put into a team, they`ll get some coaching but the focus will be on having fun and long term this will act as a feeder to our U11 programme.”*

With an ever improving premier team, numbers on the rise across the grades, a youth strategy from Y0 right through to Y13 and a large number of staff and volunteers on board to help implement those programmes female cricket at Parnell CC is likely to go from strength to strength over the years to come.

**Auckland Champions Epsom Girls Grammar School had strong PCC representation this season**

## Thank you to Dave Keane

After initially retiring at the end of the 2020/21 campaign Parnell CC were delighted to see Dave back again for the 2021/22 season. With the covid lockdown coming at a key time in the pre-season preparation phase it was crucial to have someone of Dave's skill and wealth of knowledge to help bring the pitches at Shore Road, Orakei Domain and Bloodworth Park up to their usual high standards. As per usual Dave excelled however he has informed the club that this time his retirement is now official and we get the chance to thank him once more for his years of service to the club. Thank you Dave!

The premier men's team presented this signed shirt to Dave on his final day at Shore Road.

## **Editorial - Peter Hickman – Parnell CC Director of Cricket Q & A**

Filling the shoes of Phil Horne is a challenging task but a challenge that Peter Hickman is relishing as Parnell Cricket Club`s Director of Cricket. Battling a covid lockdown and a shortened summer season were just a couple of the challenges Pete, a lifelong PCC member, has faced in the last 18 months since moving into the role and we sat down with him to discuss his experiences so far:

***Q: Pete you have the unenviable task of trying to follow Phil Horne in the DOC role - how did he assist you in your early days on the job?***

PH: "I was lucky enough to have two weeks working under Phil after I was appointed when Hussain Hanif resigned after a short stint. Phil was great sharing his IP and processes which made my transition into the role smooth. Whilst Phil's energy is unmatched I quickly realised what he had done best was build strong relationships with all the key stakeholders, sponsors, parents, co ordinaters and players who were all very keen to continue to work with us which gave us a strong base to begin with. I now have a great opportunity to build on those foundations moving forward."

***Q: You have been a lifelong PCC member and filled multiple roles within the club – give us a summary of your background which has led you to this role:***

PH: I started playing here as a five-year old and living less than 200 meters away from Bloodworth so I've always been around the place. I had a slightly different playing background to others in that I didn`t play school cricket, instead playing Saturdays at the club in the U15/17 & 19s grades. This connected me to the senior club from a young age and eventually became senior club captain in 2016. Away from cricket I began studying a Bachelor of Commerce degree at Auckland University but then switched gears and completed a degree in Sport and Recreation majoring in Management and Analytics, helping set me up nicely to apply for this job once it became available."

Pete hitting catches to our premier men`s team during warm ups

***Q: Just a few months into the role with the 2021/22 season on the horizon we were plunged into an extended covid lockdown how did you find trying to navigate those challenges?***

PH: It certainly was a tough time, but what helped is that it wasn` t the first lockdown we had been through so club managers had some plans in place should it happen again. One of the biggest challenges was trying to interpret from multiple layers of governance what we could or couldn` t do. It wasn` t as simple as looking at the latest guidelines and making our decision – we had to go through Auckland Cricket` s interpretation who were taking theirs from New Zealand Cricket who in turn were taking theirs from Sport New Zealand. Eventually we just had to make judgement calls and arranged a host of internal games which were designed to both fill the void of missed fixtures and also to limit interaction with people from outside of the club and we were applauded by the others in ACA for doing this whilst also ensuring our members got full value for their subscriptions.

***Q: What does a day in the life of the Parnell CC Director of Cricket look like during the summer months?***

PH: I get asked this a lot! I guess the job doesn` t really have a set schedule. I aim to clear my inbox by 8am and send out club communications on a Monday, but other than regular catch ups with Jeremy and the board there isn` t really a day to day routine. I` d describe it as being actionary – I do all the dealings with Auckland Cricket, a lot of facility management, stakeholder relationships, game day management and dealing with things that have come up over a weekend early in the week to then preparing for the weekend by Friday each week.

***Q: And what does your winter daily schedule look like?***

PH: This is more planning heavy. whether it is winter academies, summer schedules or staffing. What I am enjoying this winter is being able to put more time into actually implementing what I am looking to introduce at the club, whereas the last 12 months have been really focused around preparing for covid. What I am hoping is that all the time Steve and I put into our Covid response can go purely into putting on the best possible offering for our members.

***Q: How do you assess the role parents/volunteers/co-ordinators play in help running the club?***

PH: It cannot be stated enough how huge a role they have. Simply put, I couldn't do my job without the input of all of those people. We have some excellent paid staff – Steve Hurdley is crucial in the club running, the knowledge he has with more than 10 years of experience in his role is second to none. Our volunteers who give up their time, doing it purely for the love and passion for the game is not to be understated. I think my favourite story from covid was finally getting permission to use Bloodworth for junior cricket, however the ground hadn't been cut for weeks. When it was finally mown (day before the games) it had grown so much that, even cut, the park was covered in clumps of grass and was essentially unplayable. I called the junior parents who were due to be playing there and within hours there were more than a dozen of them there with rakes and leaf blowers doing everything they could to make the ground playable for the next day – which they did."

***Q: From your point of view where does the club sit within the ACA landscape and what are some of your goals for PCC moving forward:***

PH: We want to be the best club in New Zealand, and therefore the preferred club in Auckland. Improving the experience for our members whether that be coaching, diversity and inclusion, culture or facilities, which we already do well, but want to keep improving so our members get the best experiences they can. One big goal is to lift the numbers in Y0-4. If we can give those players and their parents a positive experience that should organically mean we get more and more people playing cricket from Y5 and above. Our female space is coming along well too – we are Auckland's most recent premier club but we are building nicely and have an exciting crop of U16s coming through and we are working hard to put a structure in place to support their progression through to Premier Cricket.

***Q: There have been a number of developments at Shore Road in the last 12-18 months namely the new clubrooms and the upgrade of Shore Road number 2 talk us through the benefits of these projects:***

PH: The new clubrooms have been huge and highly valuable asset. We have so much opportunity now; whether that be on Friday nights while the kids are playing, hiring out for external use and just generally being a place where we people feel welcomed and enjoy being around. The Shore Road 2 development was actually one benefit of covid. If we hadn't gone into lockdown both the ground and the nets would have been out of use for the whole season, but given that was pushed back so we got half a season out of them. We look forward to getting full use of the ground and new extended nets for a full summer.

Getting events set up for club members to enjoy within the clubhouse is now a priority given the worst of Covid is behind us.

***Q: Finally what are your personal goals both within your role as DOC:***

PH: Personally, I don't really have a pathway at this stage I am still relatively new into the role. In terms of the job I feel this year will be my first opportunity to really put my stamp on it given we are, touch wood, through the covid period I am keen to start to lead PCC in the way I envisioned 18 months ago but essentially my goals are to have PCC as the club of where choice where members continue to come back each year and ensuring people enjoy their Saturday's playing cricket.

## Obituaries:

### **GRAEME LESTER MILLER 1940 to 12 February 2022**

**Graeme, on the right, with Brian Kilby and Steve Clerk at our 150<sup>th</sup> Jubilee**

Graeme came to Hobson Park in 1960-61 as a member of Glen Innes CC, one of the smaller clubs in Eastern Districts. A very promising, stylish right hand bat, he went straight into our 2nds and had one game for our Seniors that season scoring 17 in his one innings. A regular in the 2nds brought him 110 runs – 9 innings with highest score of 46.

Selected for Eastern vs City & Suburban, an annual friendly in January '61, he hit 77 and shared a major partnership with Terry Jarvis (110) helping Eastern win by 9 wickets. The following season, in the return game, Graeme captained Eastern to a win by 2 wickets – his contribution being 84\* of 160 in Eastern's 1<sup>st</sup> innings.

Now an established player Graeme, in '61-62, had 8 innings for 77 runs for Eastern Seniors and 8 for 112 for the 2nds. His highest score being 46. But a permanent place in the Seniors was elusive with youngsters such as Terry Jarvis, Mark Burgess and Johnny Carson taking priority. Strong competition - Parnell had a multitude of "All Stars" – Merv Wallace and Johnny Hayes had retired but Geoff Rabone was still there and Ross Morgan, Bill Playle and Terry made the NZ side as well as playing regularly for Auckland.

1966-67 – away from Hobson Park, now at Eden Park and the District Scheme disbanded. Graeme's Glen Innes ties ended, he became a formal Parnell member and his position in the Seniors became permanent. Reliable in the middle order, perhaps Graeme's best Senior season was '69-70 – 225 runs with his highest score for the Club of 81.

He played the next season but not the next and from '72-73 only played in the 2nds and 3rds intermittently. For all that, Graeme was always most welcome when available and his batting for our lower grade teams was invaluable

though he never topped his Senior highest score of 81 scored against Papatoetoe.

Graeme spent 10 years on Parnell's Management Committee – '67-68 to '76-77, difficult years with the Club having only temporary premises at Eden Park, no proper club room – only a changing room under the old South Stand. But, thanks to Graeme and his colleagues, the Club survived!

A great club man, ever reliable and top team mate, our most sincere condolences go to Graeme's widow, Kathleen, his sons Keith and Blair and their families.

Graeme's Parnell stats are:

Senior (ie Premier) 1967/68 – 1971/72 66 i 0 no 1008 runs 81 hs 15.27 ave

All Grade - last season 1991/92 3049 runs 352 best season 81 hs  
Catches 53 All Grades Wickets 2 Senior 26 All Grades

**EDWARD LESLIE (LES) GIBBS**

**24.12.1938 to 26.2.2022**

Les Gibbs, through the early to mid 1960s was a wholehearted, left arm, fast medium bowler for the Eastern Senior/Premier team and, more often, when the "All Stars" were made available, for Eastern 2nds.

Les came to Parnell/Eastern Districts from the Warkworth area. He was a tenacious bowler and won the FE Hemmingson Cup for "Most Improved Bowler" twice – in 1961/62 and again in 1963/64. Certainly he had improved in '63/64 as he took 54 wicket at 15.81 – the only time he amassed 50 wickets in a season.

For the 2nds, under successive skippers - Frank Hemmingson, Neville Darrow and then Eric Smith - Les bowled his heart out and produced some outstanding figures. Best were in 1961/62, when he took a hat trick and 6/23 vs Cornwall and the outstanding 7/48 vs Grafton in '63/64. Les's last season for the Club was in '65/66 when he took 6/34 vs Birkdale.

Batting low down, Les never gave his wicket away and whilst he didn't get the opportunities of those at the top of the order, he was very hard to dislodge and our wagging tail was very often the Team's saviour.

Les came from a farming family and his brother Brian continued to run the family property up north. In the summer of '63/64 the farm was the centre of a major "Foot and Mouth" scare – the Gibb's pigs showed the dreaded signs of blistered snouts. The whole of NZ locked down – no animal movements whatsoever were permitted – and every isolation process put in place. But within 10 days it was all over when it was realised that the pigs' blisters originated, not from F & M, but from wasp stings received whilst foraging on fallen apples in the Gibb's orchard! And the cricket season carried on without disruption.

Parnell's enforced move from Hobson Park in 1966 ended Les's time with the Club. Eden Park was too far away for him to get to practice and, as he was living very close to the Papatoetoe Domain, he joined the Papatoetoe CC and gave them sterling service for many seasons. Then, in retirement, he continued to be a loyal supporter and watched many a game from the Pavilion.

Nor did Les forget his Parnell/Eastern days and some years back attended a reunion visit to Dilworth Junior School now occupying the grounds that were once Hobson Park. And, most times this writer attended Parnell games at Papatoetoe, Les would be there and there and we would have cheerful discussions of the "old days" over a couple of pints.

Our most sincere condolence go to Cath, Roger, Peter and their families – Les will be very sadly missed.

Les's record for Parnell/ Eastern:

Seniors: Batting	19i	7no	32*hs	229runs	19.08ave	Bowling	173o
62m	433runs	19w	22.79ave				
All Grades:	837	runs scored,	best season	211,	hs 52	150	
wickets taken,	best season	54	31	catches			

**BARRY WHITLEY SINCLAIR 23 October 1936 to 11 July 2022**

On his retirement from 1<sup>st</sup> Class cricket at the end of the 1970/71 Season, Barry Sinclair moved to Auckland and Parnell had the privilege of having him turn out for the Club late in 1972/73.

The former New Zealand captain and star Wellington batsman only had 5 innings for the Club that first season scoring 156 runs with 98\* his highest score. In '73/74 business prevented Barry having a full season for Parnell but his 103 in the first game vs Western Districts brought about a win. Barry still scored 301 runs in his 11 innings at 37.60. With his skipper, Terry Jarvis, hitting 4 centuries, Ross Morgan and youthful stars Geoff Cooke and Greg Wallace, Parnell's batting line up was formidable that season.

After just those two seasons at Parnell, Barry moved to live on the Shore and joined North Shore CC. Right up until his passing he gave outstanding service to that club. First as a player and then as a coach and an administrator – most noticeably in the field of fund raising. He had a large hand in organising North Shore's legendary lunches which, for many years raised many thousands of dollars for his club and for charity.

But Barry is best remembered for the sterling service he gave Wellington cricket and for New Zealand for whom he played 21 Tests, hit 3 centuries including 138 against South Africa at Eden Park, and scored 1148 runs at 29.43. Barry Sinclair's career stats are:

	Parnell CC		16 inn	4 no	457 runs	
103 hs	38.08 ave	1 n 100				
	1 <sup>st</sup> Class	204 inn	18 no	6114 runs	148 hs	
32.87 ave	6 x 100s					
	Tests		40 inn	1 no	1148 runs	138 hs
29.43 ave	3 x 100s					

**Thank you to our sponsors!**

**Ascot Radiology, now Astra Radiology. Parnell's lead sponsor for twelve seasons. Our profound thanks to Dr. David Rogers and his team, your support is invaluable and we look forward to continuing our relationship as Astra Radiology.**

## **Players Sports™**

**Our thanks to Mike Wood and the team at Players Sports. A partnership that is nearing the ten year mark, our thanks for your continued support.**

## PARNELL CRICKET CLUB INCORPORATED

### AUDIT REPORT

To the Readers of the Financial Report of Parnell Cricket Club Inc:

I have audited the financial report of Parnell Cricket Club Inc on page 1 to 4.

#### **Parnell Cricket Club Incorporated's Responsibilities**

The committee of Parnell Cricket Club Inc. are responsible for the preparation of a financial report, which gives a true and fair view of the financial position of Parnell Cricket Club Inc. as at 30 April 2022 and of the results of operations for the 12 months ended 30 April 2022.

#### **Basis of Opinion**

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- The significant estimates and judgments made by Parnell Cricket Club Inc, in the preparation of the financial report, and
- Whether the accounting policies are appropriate to Parnell Cricket Club Inc, circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted auditing standards in New Zealand. I planned and performed the audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial report.

Other than in my capacity as auditor I have no relationship with or interest in Parnell Cricket Club Inc.

#### **Qualified Opinion**

Limited Control over subscription revenue and fundraising income

In common with other organizations of similar size and nature, control over the receipt and recording of subscriptions and fundraising income prior to entry into the accounting records is limited and there are no practical audit procedures to determine the effect of this limited control.

In my opinion, except for any adjustments that might have been found necessary had I been able to obtain sufficient evidence concerning the above-mentioned limitation, the financial statements of Parnell Cricket Club Inc:

- Comply with generally accepted accounting practice; and
- Fairly reflect the:
  - Financial position as at 30 April 2022
  - Results of its operations (and cashflows) for the year ended on that date.

My audit was completed on Sunday 10<sup>th</sup> July 2022 and my qualified opinion is expressed at that date.

DENISE GREGORY  
ACCOUNTANT (ACA)  
AUCKLAND

**PARNELL CRICKET CLUB INC**

**NOTES TO THE FINANCIAL STATEMENTS**  
*For the year ended 30 April 2022*

**1 STATEMENT OF ACCOUNTING POLICIES**

**Measurement Base:**

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis are followed by the Club.

Reliance has been placed on the fact that the Club is a going concern.

**Specific Accounting Policies**

The following specific accounting policies which materially effect the measurement of financial performance and financial position have been applied:-

(a) Inventories

Inventories have been valued by the committee at the lower of cost or net realisable value.

Bar	2,750
Balls / Gear	14,250
TOTAL	<u>\$17,000</u>

(b) Goods & Services Tax

These Financial Statements have been prepared exclusive of Goods and Services Tax.

(c) Changes in Accounting Policies

These policies are unchanged as compared with those used in the previous year.

**2 FACILITIES DEVELOPMENT FUND**

The club has set aside funds for future development work on the grounds and club house.

**3 CONTINGENT LIABILITIES**

Apart from those shown in the Financial Accounts there were no other material contingent liabilities at balance date.

**4 FUTURE COMMITMENTS**

The club has entered into a maintenance agreement to maintain the Remuera Parnell Sports Community Indoor training facility. The Facility will be run on a revenue generating basis with net revenue sufficient to cover all forecast maintenance costs.

**5. LOAN TO REMUERA PARNELL SPORTS COMMUNITY CHARITABLE TRUST**

The Remuera Parnell Sports Community Charitable Trust (RPSCT) loan of \$347,332 is an unsecured term loan which was lent to contribute to funding of the construction of the Terry Jarvis Centre. In return for this loan the Club has been given a perpetual lease of the Terry Jarvis Centre for no rent. The Club notes that the RPSCT is not in a financial position to repay this loan. The loan has not been written down as the Board feels the value of the Terry Jarvis Centre exceeds that amount of all loans of the RPSCT.

The Club is a 50% beneficiary of the RPSCT.

**6 WRITE OFF OF CLUBHOUSE ASSETS/CAPITAL RESERVE**

During the year clubhouse renovations commenced. Assets, kitchen etc were demolished. These assets were originally \$60,000 capital reserve, recorded in the equity section in the Balance Sheet. On the demolition of clubhouse assets the loss on demolition was debited against the capital reserve, such that there is no capital grant in the 2021 equity section of the Balance Sheet and no loss on disposal in the Profit and Loss.

## LIST OF OFFICE BEARERS, 1884 – 2022
